

# Spot My Clothes

**Spot My Clothes** - I am going crazy with this problem. I use Tide to launder my clothes and Bounce dryer sheets. I continually get spots that look like either a wet spot or a grease ...Learn what causes white or blue residue to be left on freshly washed clothes; how to prevent the problem; and how to remove the residue safely. Life's too short to wear boring clothes! What's the point if you're not having fun? Spot's goal is to provide unique, colorful and funky clothing, shoes and ...Get this from a library! Spot : my clothes. [Eric Hill]
